PGCE HELP: How to access Vula & PeopleSoft

Important Information before we proceed:

- 1. PeopleSoft is your administration portal. It is where you go to:
 - a. Change your UCT password
 - b. Update your records
 - c. Check your registration
 - d. Update your personal contact information, etc.
- 2. Vula is your online learning portal. It is where you go to:
 - a. View important information for your registered courses
 - b. Access online learning content
 - c. Access support and help for online learning
- 3. The **SAME** password is used to access both of these services.
- 4. You are **required to change** your password after you have registered.

This guide will start by making the first important step – changing your password.

If you have already done so, please head to the section titled Vula OR Access 2021 GENERAL PGCE SITE
