

REL SEMINAR SERIES

MAXIMISE LIBRARY RESOURCES FOR YOUR RESEARCH SUCCESS

This session offers a brief overview of what UCT Libraries can do to support you in your research journey. The session highlights key resources, services, and support available to postgraduates and researchers across all disciplines.

The presentation is designed to raise awareness, with visual examples and screen grabs to help you navigate the library more effectively.

PRESENTED BY:

MALIXOLE HLEMFU & ZANDI MKHWANAZI

Malixole Hlemfu is a Senior Librarian based at the Faculty of Health Sciences, and Zandi Mkhwanazi is a Librarian serving the Faculty of Humanities. Both are part of UCT Libraries and work across disciplines to support teaching, learning, and research.
