Spring Queens of the past honoured

A CELEBRATION of one of the Cape Flats' greatest traditions, Spring Queen – The Staging of the Glittering Proletariat is on now at the Bertram House Annex Gallery at the UCT Hiddingh Campus in the city. The exhibition show-

cases the history of the glittering Flats event. The pageant began in the late '70s for the factory workers, organised by the South African Clothing Workers Union and is still a highlight on the social calendar.
