

UNIVERSITY OF CAPE TOWN | FACULTY OF HUMANITIES
2025 UNDERGRADUATE REGISTRATION SCHEDULE

All students registered to undergraduate Humanities programmes* require two levels of curriculum review in order to finalise their registration: the first level is in-person advice per the below schedule, and the second level is incorporated into (Steps 12-14 of) the registration task on PeopleSoft. Importantly, **students will not be able to proceed past Step 11 of their registration task on PeopleSoft without completing the first level of curriculum review.**

Returning students who sought early registration advice must bring their signed curriculum planner to their in-person registration session, but only to gain access to Step 12 of their registration tasks on PeopleSoft (if all 2024 courses passed).

*The only exceptions to this are Semester Study Abroad students and Occasional Studies students, who are not required to attend in-person advice, and may register via PeopleSoft directly.

Students must either finalise their registration task or request approval on Step 12 of the registration task by Friday, 14 February 2025 at the latest.

- All new International and SADC students must get fee clearance, and present their study permits and health insurance details to IAPO (<https://uct.ac.za/international>) before they are scheduled to register.
